

WINNER, 2017
Best for CEO Evaluation & Coaching

CEO Perspective Group

June 10, 2017/United Kingdom—CEO Perspective Group has been named Best for CEO Evaluation and Best for Executive Coaching in the 2017 Wealth & Money Management Awards, organized by **Wealth & Finance International Magazine**. The firm's founder **Dr. Dee Soder** was also named the **Most Influential Woman in Leadership Development**.

Culminating 30 years of sustained excellence, this is the fourth consecutive win for the CEO Perspective Group. Significantly several of their clients are financial companies who also won Wealth & Money Management Awards for Excellence. As one noted, "our firm remains a leader in large part due to Dr. Soder and the CEO Group." Since 1986, CEO Group has aided more than 2,000 CEOs seeking to solve company and personal problems and move forward.

Led by Dr. Dee Soder, the Manhattan-based CEO Perspective Group provides **assessments and advice for the CEO, investor, Board or company who wants to further excel**. Deemed "pioneer of executive coaching" by Fortune magazine, the "country's top executive advisor" by the Wall Street Journal, "CEO's consigliere" by CNN among other accolades, she combines psychological expertise, business acumen and client dedication to achieve results e.g.

Over 90% of business is referral-based, as leaders across functions, industries and countries applaud the Group's work in evaluation and coaching. Financial and money management companies have long been a key practice area with prominent PE firms and boards relying on Dr. Soder for key CEO assessments and advisory work for decades. CEO Group provides advice on a wide range of issues, including reorganizations, next steps, taking charge, governance issues, securing a board seat, leadership presence and personal matters.

About Wealth and Finance International

The Wealth & Finance International awards are dedicated to uncovering and promoting the work and achievements of the very best in financial services. The awards are all about the individuals, firms and departments whose dedication and commitment in all aspects of the role have seen them achieve stellar results for their clients, whether assisting with managing their wealth, planning for the future of their business or family, or providing advice.

The selection and judging process is rigorous and far reaching, with nominations from and on behalf of firms throughout the world, from niche practices to the largest and most global corporations. Throughout the process, the *Wealth & Money Management* team works to ensure the winners are **chosen solely on merit based on extensive research**.
